Re: Interest in a future Police Constable position

Dear Hiring Manager,

I am writing to express my interest in a future Police Constable position with Peel Regional Police. I admire the way the service focuses on community safety, public trust, and working with people from many different backgrounds. I would like to contribute to that work with honesty, sound judgement, and a commitment to keep learning.

From January 2022 to February 2024 I worked as a server and cashier at Joummar Restaurant, and since October 2024 I have held the same role at Sumaq Iraqi Charcoal Grill. In both positions I learned to listen carefully, stay accurate and polite during busy periods, and handle cash and debit payments responsibly. Working closely with my co-workers also showed me how much a team depends on each person being reliable.

In 2023 I volunteered with the Islamic Community Centre of Ontario (MAC Masjid), helping to organize Ramadan Iftar activities and Eid community events. In 2022 I helped welcome new students during orientation at Stephen Lewis Secondary School. Both experiences taught me patience and showed me that good service begins with making people feel acknowledged and included.

I am currently in Year 2 of the Police Foundations diploma at Sheridan College, Davis Campus, with a GPA of 3.13. My courses have strengthened my understanding of responsible decision-making and community relations. I am preparing for the OACP Constable Selection System, including the report-writing and problem-solving sections of the SSPO. Through my Fitness and Police Preparation course I am also building the endurance, strength, and overall wellness that policing requires.

I understand that trust is earned through consistent daily actions, openness to feedback, and respect for the people one serves. I would welcome the opportunity to discuss how my education, work experience, and volunteer service could support a future application. Thank you for your time and consideration.

Sincerely,

Wissam Al Hussein
